ABOUT US

Pirtek Rotorua is an integral part of Pirtek's rapidly growing footprint which includes over 21 locations and 65+ Mobile Service Units (MSU) throughout New Zealand.

Our workshop is located in Mangakakahi, Rotorua and is fully equipped to conduct machining, hydraulic repairs, servicing and builds, on-site or in-house. We offer a 24/7 hydraulic breakdown service supported by three MSU's across the Rotorua region.

Pirtek New Zealand (PNZ), based in Auckland, has a wide range of resources to support the national network. The PNZ distribution centre houses an extensive product line available for overnight delivery and has a 56,000 PSI pressure test unit capable of checking and certifying a wide range of hoses.

Pirtek also offers a hose tagging system, assigning each hose a unique identification number. This allows hoses to be tracked and managed efficiently, helping customers reduce downtime and streamline maintenance.

PRODUCT GROUPS

Pirtek has over **14,000** items which cover the following products:

- Hydraulic Hose and Fittings
- Industrial Hose and Fittings
- Clamping Systems
- Oils and Lubricants
- Spill Kits and Environmental
- Convoluted Stainless Steel and Composite Hoses
- Ball Valves and Couplings
- Kamlok Quick Connect Fittings
- Instrument Fittings (Let-Lok)
- Water Blaster Hoses and Attachments
- Ultra High-Pressure Hose
- Washdown Hose and Components

Pirtek Rotorua is committed maintaining high health and safety standards. Mandatory safety checks are completed before all work in accordance with Pirtek's Standard operating procedures. We take pride in delivering safe, reliable service and quality products to every customer.
