ABOUT US

Pirtek Wanganui began operating in 2005 and is an integral part of Pirtek New Zealand's growing nationwide network of 21+ centres and 65+ Mobile Service Units (MSUs).

Located on Heads Road in central Wanganui, our workshop and trade sales outlet provides hydraulic hose, fittings and fluid-handling products to customers throughout the region. We offer a 24/7 hydraulic breakdown service supported by three fully equipped service vehicles, allowing our technicians to carry out on-site repairs and minimise customer downtime.

Our workshop is fully equipped to carry out machining, hydraulic repairs, servicing and builds in-house. We are supported by Pirtek New Zealand (PNZ), with access to specialist technical resources, hose testing and certification capabilities, and an extensive range of products held at the PNZ distribution centre in Auckland and available for overnight delivery.

Through our extensive supplier network, we can also source a broad range of hydraulic, industrial and pneumatic products and equipment to support customers across the agricultural, forestry, earthmoving and industrial sectors.

PRODUCT GROUPS

Pirtek has over **14,000** items which cover the following products:

- Hydraulic Hose and Fittings
- Industrial Hose and Fittings
- Clamping Systems
- Oils and Lubricants
- Spill Kits and Environmental
- Convoluted Stainless Steel and Composite Hoses
